

# Trinity Primary School

Dear Parents,

The 'beat' of TPS has not stopped drumming since we closed our doors on March 12th. The entire school community is showing their resilience and thanks to all our dedicated and professional staff, we are navigating our way through this pandemic, keeping your child's CONNECTION with TPS as our central focus. The familiarity of structures and routines which school life offers your child is the basis behind all the activities which are created in their 'weekly plans'. We are so proud of the children for all their engagement with these plans thus far and we wish to thank you, the parents, for encouraging and motivating them.

Below are the highlights of the last 7 weeks and they all clearly highlight how, we the school community of TPS, are standing behind our school motto- NÍ NEART GO CUR LE CHÉILE (there is no strength without unity).

Keep safe everybody,  
Lorraine, Padraig, Mary

## Trinity Primary School has gone online!

Since we closed our doors on the 12th of March we as a school community have been working hard to stay together while staying apart. We have launched our "Class Sites" through our school website [www.tpstuam.ie](http://www.tpstuam.ie). Our students and teachers have also created their own classroom community through Class Dojo, Seesaw and Google Classrooms. The feedback teachers have received from their students has been incredible!

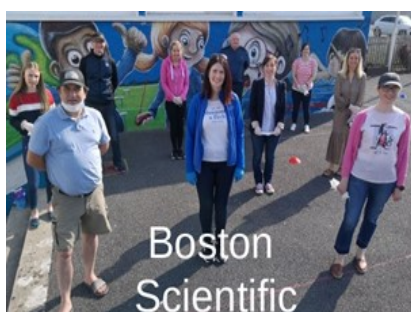

Keep up the good work!!

## Delivery of School Books

A massive thank you to Boston Scientific and Tuam Stars who came together last Saturday to safely deliver school books to the homes of our Junior Infants—2nd Classes from Campus 1 & 2.

*Their kindness and generosity will always be remembered by us here in Trinity Primary School.*
