Sporting Moments

Sport plays a huge role in the lives of our students here in T.P.S. Since September there have been so many wonderful opportunities for our students to represent our school in sports such as rugby, GAA, olympic handball, swimming, athletics and many, many more. Pictured here are our victorious girls who were shield winners in October in the St Jarlath's Blitz. Well done girls!

Competition winner!

Well done to Ethan Flanagan who was the winner of the festival writing competition with his story "A Lucky Escape" which appears in this year's educate.ie Christmas annual! 📖👏

Joe Wicks visits T.P.S!!

Back in September we got a phone call to say Joe Wicks was coming to visit us here in T.P.S.! The famous tv personality picked our school from over 10,000 applications. Joe was so fun and bubbly and led the teachers and pupils in a thrilling exercise class that got us all moving. Afterwards he met pupils and teachers and chatted to us all about the importance of exercise for our mental and physical health. Thanks Joe. We loved meeting you!

As we look forward to another exciting and fun-filled year in 2024 we would like to take the opportunity to wish you all a very Happy Christmas and a happy and healthy new year!!

Since September we have been working very hard to promote arts and creativity here in T.P.S. and have just found out we have been awarded a digital arts flag in recognition of all our efforts! Well done to all the staff and students involved.

Another fantastic achievement for our school! 🎉

After School/Lunch Activities

Here in T.P.S we have a wide range of sporting and creative lunchtime and after school clubs. Here is our lunchtime 3-D printing club and nurture group busy at work printing 3-D Christmas decorations on our state of the art 3-D printer. What a fantastic opportunity for our children to develop their digital skills. Check out some of the Christmas decorations they designed and printed themselves! 🙌🙌
