

T.P.S. News April 2025

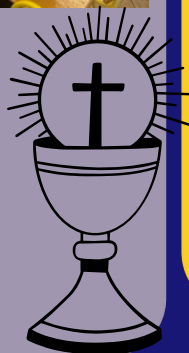

Digital Learning in TPS!

TPS was selected to work on a project with the Department of Education Oide service focusing on developing the children's literacy skills using Digital technology tools. We welcomed a film crew to film a video for use by primary school teachers nationally. The children and staff represented our school brilliantly!

**Congratulations
to our 6th
classes who made
their
Confirmation.**

Our new school building update!

T.P.S. Board of Management wishes to inform our school community that the design team charged with our new school building, Healy Architects, presented an outline design that greatly impressed them in early February.

The architects are now focusing on developing the internal design, with plans to submit it to the Department for approval before the summer holidays. This marks an exciting step forward in the project, bringing T.P.S. closer to the much anticipated state-of-the-art facility.

The B.O.M .are also reviewing the 'Bí Cinealta' guidelines in relation to addressing bullying behaviour in our school. After Easter we will ask parents to join a working group to discuss this document in detail. Finally the B.O.M wishes everyone a happy, safe and relaxing Easter.

Trinity Primary School Fundraiser Lotto

Your support makes a real difference
Jackpot increases every week plus a weekly winner prize

Play

Pick 4 numbers
The same numbers will be played for you each week

Pay

**1 line for €2.50, 2 lines for €4
or 3 Lines for €5**
Maximum 3 lines per person

Win

Match 4 numbers to win the Jackpot

Lunchtime activities and After school clubs are offered to children in T.P.S. to support wellbeing., It provides a great opportunity for children to explore their talents, special interests and make new friends. These clubs include chess, knitting, book, art, music, dance and sport clubs. Teamwork, fun and great memories are made!

Cuddle and Read!

Children in Infants and their parents connected with their local library for Cuddle and Read sessions. There's nothing like the joy of reading together. Thank you to all the families who participated in making these events so special!

Nurture

Groups from 1st class to 5th class have been taking part in the 'Grow It Yourself' Programme. They have built their own planters and sown lots of vegetables. Our students are learning to become responsible gardeners by weeding and watering their planters regularly. They have recently painted their planters some summer colours. We are looking forward to harvest time and cooking some dishes with our yummy vegetables.

Peace Proms 2025

On Saturday, March 1st, some 5th classes from T.P.S. and other schools performed at the Limerick Peace Proms. It started at 9:30 am. We boarded the bus and rode all the way to the University of Limerick. We did a rehearsal of all the songs before we ate our lunch. The concert was possibly the coolest thing I've ever seen! There was a full orchestra (which was my favourite part) and there were mesmerizing stage lights that I could've watched for hours. After the concert we went to a fancy hotel for some good 'ol goujons and then we went home.

By Faye Burke. 5th Class

Science is Fun!

4th classes worked on Science experiments with St. Jarlath's transition students. Science is fun!

School Reopens on Monday the 28th of April 2025!
